TERMS AND CONDITIONS

Welcome to the Liquida Grant!

This document sets out the Terms and Conditions governing the application to the Liquida Grant. These Conditions apply between the User and PRS Srl Impresa Sociale (hereinafter referred to as “Paratissima”), an Italian company with registered office at C.so Re Umberto 9bis, 10121, Turin, Italy, VAT No. 11800270016, operational owner of the paratissima.it, prs.arte, and all related websites and services.

By selecting the Terms and Conditions checkbox, completing the Prize registration process and paying the participation fee, you will take part in the Liquida Grant 2026, acknowledging that you are bound by the following Terms and Conditions.

Please read them carefully before submitting your application.

1. Prize Rules

Applications for the Liquida Grant open on January 13, 2026 and close on February 13, 2026.

Participants may apply by clicking the “Apply Now” button available on [this page](#) and following the registration process. Each participant may apply to the Prize in both participation modes described in section 1.1.

1.1 Type of Application

Applicants may choose to participate in the Liquida Grant in two different ways, depending on the content they intend to submit (it is possible to apply to both categories):

- 1) **ONE SHOT:** each applicant may submit a minimum of 1 and a maximum of 5 photographs, not necessarily belonging to the same artistic project, and thus apply for the various prizes described below. The theme of the submitted images is OPEN. Each photograph may be independent from the others, and different types of images related to different research paths may be submitted. Images must be uploaded in .JPG or .JPEG format and each image must not exceed 10MB.
- 2) **FULL PROJECT:** this participation mode involves submitting an entire photographic project. Applicants may submit a minimum of 6 and a maximum of 10 photographs, even in the case of larger projects (only the most representative images should be submitted). In this case, additional images may be requested by the Artistic Direction. An abstract must also be included in the application form. The theme of the submitted projects is OPEN. It is essential that all photographs belong to the same photographic project. By applying, applicants will be considered for the various prizes described below.

If selected, the possibility of promoting the sale of the photograph will be evaluated with the artist according to a set of parameters (size, price, edition, medium) formalized through a dedicated contract.

Selected applicants will be required to send the high-resolution files of the awarded photographs according to the instructions provided in the selection notification sent via email.

The participation fee for this application category is €25.00, payable upon completion of the application form.
